# frazil ENERGY WITH CAFFEINE

## HOW DO I GET FRAZIL ENERGY?

You can order Frazil Energy through your distributor, just like the regular Frazil product.

## DO I NEED A SEPARATE MACHINE FOR FRAZIL ENERGY?

Frazil Energy is designed to fit right next to regular Frazil product in your current Frazil machine. We recommend having one regular Frazil flavor in one bowl and Frazil Energy in the other.

## HOW IS FRAZIL ENERGY PRICED?

Frazil Energy is line-priced with regular Frazil.

## CAN I GET A DEDICATED AND BRANDED FRAZIL ENERGY MACHINE?

If your store qualifies for an additional machine, and you would like to sell exclusively Frazil Energy in both bowls, Frazil will provide you with a Frazil Energy branded machine.
